

Miss Me

Miss me But let me go,
When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom-filled room;
Why cry for a soul set free!

Miss me a little but not too long,
And not with your heads bowed low;
Remember the love that we once share,
Miss me But let me go.

For this is a journey we all must take,
And each must go alone;
It's all part of the Master's plan,
A stop on the way to home.

When you are lonely and sick of heart,
Go to the friends we know,
And bury your sorrow in doing good deeds;
Miss meBut let me go!
