In Loving Memory of Bobbi Breitling 1957 - 2013

*Live like there's no tomorrow
Sing as if no-one can hear
Love like you have never been hurt
Dance as though no one is watching*

We Will Be Missing You

You were so full of life,
Always smiling and carefree.
Life loved you being a part of it,
And we loved you for being a part of us.

You could make anyone laugh,
If they were having a bad day.
No matter how sad we were,
You could take the hurt away.

Nothing could ever stop you,
Or even make you fall.
You were ready to take on the world,
Ready to do it all.

But God decided he needed you,
So from this world you left.
But you took a piece of all of us,
Our hearts are what you kept.

Our hearts now feel empty,
And it's hard not to see your face.
But please always know this,
No One will ever take your place.

You left without warning,
Not even saying good-bye.
And we can't seem to stop,
Asking the question why.

Life will be different,
Our world just won't feel right.
But we know you're in heaven,
Watching over us day and night.

We didn't see this coming,
It hit us by surprise.
And when you left this world,
A small part of us died.

Your smile could brighten anyone's day,
No matter what they were going through.
And we know everyday of the rest of our lives,
We will be missing you.
