A Little While

Fill not your heart with pain and sorrow,
But remember me in every tomorrow...

Remember the joy, the laughter,
the smiles,

I've only gone to rest a little while.

Although my leaving
causes pain and grief

My going has eased my hurt
And given me relief.

So dry your eyes and remember me,
Not as I am now, but as I used to be.

Because I will remember you all
And look on with a smile.

Understand in your hearts

I've only gone to rest a little while.
