

The LORD is my *Shepherd;*
I shall not want.

He maketh me
lie down in green pastures:

He leadeth me beside the still waters,
He restoreth my
soul:

He leadeth me in the paths of righteousness
for His name's sake. Yea though I walk through the
valley of the shadow of death.

*I will fear no evil:
for Thou art with me;*
Thy rod and Thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies

Thou anointest my head with oil; My cup runneth over

Surely goodness & mercy shall follow me
all the days of my life;

And I will dwell in the house
of the LORD *forever.*
- Psalm 23

In Loving Memory Of

Donald E. Johnson

March 28, 1925 - October 26, 2016

Donald Johnson, known as Don John to some, was born at home in Torning Twp, Benson, Minnesota on March 28, 1925 as an only child to Victor C and Esther Lillian (Anderson) Johnson. He told many stories of how the temperature in 1936 was never above zero degrees for several months. He grew up helping on the family farm. They had milk cows, a few pigs, corn and flax. His mother passed away in 1945 and thirteen years later his father passed away.

In 1960 he came to Montana in his dad's 1957 Chevy and lived with his Uncle Lloyd Johnson. He worked for \$200 a month with room and board. He then purchased his first new vehicle, a 1969 Chevy for \$2600, which he still had until he moved in 2012. Don John worked for Don Dahlberg when Jimmy (Jim Dahlberg) was born in September of 1962. Don John met Alf Lien, a local bachelor, while he was working for Don. They became close friends and from the stories he told they had some wonderful times together. From there on he worked for numerous farmers as a farmhand until 2012 when he decided maybe he should move to town to a retirement home, Pioneer Manor in Plentywood. In 2016 he moved to La Casa.

Don John had a shop which he named the "Doctor's Office" for when Jim's combine or seeder broke down. Jim could pull into the yard and Don John would be there to help fix. He also kept watch of the Anderson School House across the road and had a tale or two about the raccoons that were always vandalizing the building. He had a great passion of Farmall H and M Tractors. He will now lie beside his good friend, Alf Lien.

Donald was preceded in death by his parents, Victor and Esther.
