

"There is a man that truly blessed our space! Now we're left with only a vision of his smiling face...and the time he spent with us 1933-2016 continues to put a smile on our face! And now he reminds us it's not the 1933 or the 2016 it's the -DASH- between that we must embrace!! For it matters not how much we own the cars we drive or where we call home. What truly matters is how we live and love! So with our hearts and hands together we will cherish his great -DASH- We love you Bob!"

I Said a Prayer For You Today

I said a prayer for you today,
and know God must have heard.
I felt the answer in my heart,
although He spoke no word!
I didn't ask for wealth or fame
(I knew you wouldn't mind),
I asked Him to send treasures of
a far more lasting kind!
I asked that He'd be near you,
at the start of each new day.
To grant you health and blessings,
for friends to share your way!
I asked for happiness for you,
in all things great and small,
But it was for His loving care,
I prayed the most of all!
