

"I want to tell you guys about my dad. I'm an only child so I didn't have anyone to play with me a lot of the time. Dad would step in even if it was girly. We would play barbies or dress up and dance around the living room. I really was daddy's little girl. As I grew up he taught me many things. He taught me his favorite pastime, golf. He helped me with my math homework every night in high school. He also taught me how much him and mom believed in me. He was with me through everything in my life. He was strong from daily workouts at the wellness center. He had the best jokes and loved to tease mom so we both could laugh. He was deemed the nicest man anyone knew and was a social guy. He had a strong work ethic and was strong in his faith. He was the most amazing man in my life. No one could believe a guy like him could wind up having cancer. He fought a hard battle but this morning it was time for him to go. I love who my dad was as a person. He is my rock and I'm out to make him proud of me. I'll miss you dad. Everyday. Have a blast golfing and seeing your brother, mom, and dad up in heaven. I love you and I'll see you again someday."

In Loving Memory Of

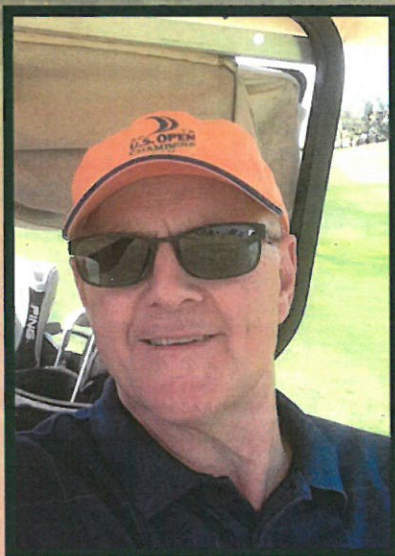

Randy Alan Slais

June 18, 1955 - February 15, 2017

Golf *is Life*

*A lot of walking,
broken up by disappointment
and bad arithmetic.*

**"Accept each day, just as it comes to you.
Do not waste your time wishing
for a different set of circumstance.
Instead, trust ME enough to yield
to my design and purpose.
Remember that nothing can separate me
from MY loving presence; you are MINE."**

Randy Alan Slais, 61, passed away on February 15, 2017 at the McKenzie County Hospital in Watford City, ND after fighting a courageous battle with brain cancer. He was so appreciative of the prayers, love and support he received from family and friends.

Randy was born June 18, 1955 in Williston, ND the son of Clarence & Florence (Treider) Slais. He was raised and educated in Williston and graduated from Williston High School in 1973. Randy graduated from UND, Grand Forks, with a business degree in 1977.

In Randy's earlier years he grew up working in the family grocery store, University Grocery. He learned early on the importance of a good work ethic from his parents. Randy began working for National Supply in 1978 in Williston, ND; his career sent him to Killdeer, ND and then Watford City, ND until its closure in 1999. Randy began working at First International Bank in Watford City March 20, 1999 and became the Data Center Officer. He held that position until his death.

A man with a dedication to community, Randy was a member of the Fox Hills Golf Club, Watford City Lions, Elks in Williston, and First Lutheran Church in Watford City. He had a strong faith and was active on many boards for the church over the years.

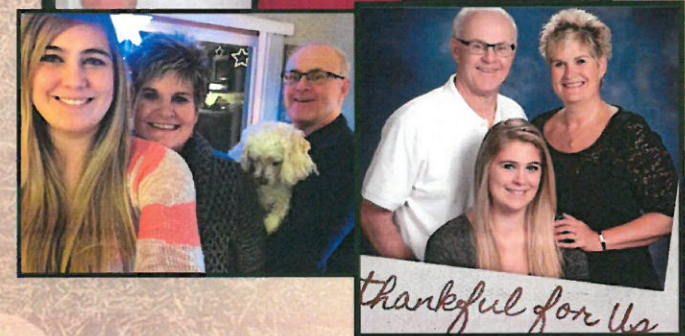

Randy married Donna Hoeckle, the love of his life, in Watford City on October 22, 1994. They were blessed with a precious daughter, Sydney Marie on April 5, 1996, whom was the pride and joy of their lives. The family was completed on August 4, 2006 when Misty Mae, a Maltese Poodle, joined them.

Randy loved the summer as he was an avid golfer. He enjoyed his walks and precious time spent with family and friends. His passion was keeping fit by exercising at the Wellness Center and his daily lettuce salad and apple for lunch.

Be strong and courageous.
