Melvin died on March 6, 2017 at the Sidney Health Center.

Melvin G. Walz was born in Zap, ND on August 1, 1936. Most of Mel’s childhood was spent in Sidney. In 1975 he moved into the Svarre Group Home. He had 7 housemates who became his family.

Melvin enjoyed working at the Jensen Activity Center where he made mats of tires, did upholstery work, stained furniture and went on paper runs. In his later years he enjoyed Senior Day sitting at his table visiting with staff and peers.

Melvin had a way of making everyone feel special, either by giving them a nickname, calling them at home or greeting them when they came near him.

The people that worked with him grew to love him very much and he loved them in return.

We love him, we will miss him profoundly and we will meet again...

Remember
by Frederick Buechner
“When you remember me, it means
that you have carried something of
who I am with you, that I have left
some mark of who I am on who
you are. It means that you can
summon me back to your mind
even though countless years and
miles may stand between us. It
means that if we meet again, you
will know me. It means that even
after I die, you can still see my face
and hear my voice and speak to
me in your heart. For as long as
you remember me, I am never
entirely lost.
