

When you lived your life for others
and you loved *without condition*
When you made so many laugh and your
smile won't be forgotten
When you left behind an empty place
that no one else can fill
When the friendships that you shared
long to be renewed
When you built your life on hope
and fulfilled it every day
The *footprints* that you left behind
will bring us face to face
So, *goodbye* is not forever,
You're only steps away.
