I'd like the memory of me
To be a happy one,
I'd like to leave
an afterglow of *smiles*
when life is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright & sunny days.
I'd like the tears of those who grieve,
To dry before the sun
Of *happy memories*
that I leave behind
When life is done.
