

*To our gentle giant dad,*

*When we sit back and remember all the countless times that you carried us on your shoulders, we are convinced that God knew what He was doing when He chose you to be our dad. The one man that always encouraged us to reach for the stars was you. We are thankful for all the things you prepared us for.*

*Although you were never as vocal as mom and never escorted us around from activity to activity, your influence, your quiet get strong presence was always there. We have now truly realized the depth and broadness of your presence throughout our lives. In you, we see the effortless dedication to care and love.*

*You are always loved!  
Your girls*

*In Loving Memory Of*

**Thomas Lorenz**

*June 16, 1955 - January 6, 2019*

Thomas Scott Lorenz was born on June 16, 1955 to Victor and Rose Buxbaum Lorenz. He was baptized and confirmed at Ebenezer Congregational Church. He attended Sidney Public Schools and graduated with the class of 1973.

On his 18th birthday he met his future wife Marilynn Deines at the infamous Triangle Nite Club. They were married on June 5th, 1976 at Trinity Lutheran Church in Sidney. Tom and Marilynn were blessed with four beautiful daughters.

Tom thought the world of his girls, sharing his favorite hunting and fishing experiences. He also taught his girls to be kind, loving and independent adults, leading them by example. The added bonus was continuing the same values with his grandkids.

Tom enjoyed working with people, especially farmers which led him to his 21 year career with Betaseed. He also raised sugar beets, hay and cattle along the way.

Some of his most memorable times were spent with the Betaseed Family on incentive trips. Which he never took for granted but thought of as a blessing.

At the time of his passing he was employed by Fastenal, where he continued to work in the community he loved.

Tom was preceded in death by his parents Victor and Rose, brothers Steve and Monte, and sister Jolene Stinchfield.

He is survived by his wife Marilynn, daughters Melissa (Lee) Mocko, Beth (Gary) Brien, Laura (John Finn), and Shevon (Chris) Atwood, and grandchildren Janelle and Dylan Brien, Jaida and Kaidon Mocko, Marcus Finn, and Kinley and Jackson Atwood.
