### Father We Entrust Our Brother

Father we entrust our brother to your mercy. You loved him greatly in this life: now that he is freed from all its cares, give him happiness and peace forever. Welcome him now into paradise where there will be no more sorrow, no more weeping or pain, but only peace and joy with Jesus your Son, and the Holy Spirit forever and ever.

### **I'm Free**

Don't grieve for me, for now I'm free  
I'm following the path God has laid you see.  
I took His hand when I heard Him call  
I turned my back and left it all.

I could not stay another day  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way  
I found that peace at the close of day.

If my parting has left a void  
Then fill it with remembered joys.  
A friendship shared, a laugh, a kiss,  
O yes, these things I too will miss.

Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full, I savored much  
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief,  
Lift up your hearts and peace to thee-  
God wanted me now: He set me free...
