### **LIFE WELL LIVED**

A life well lived is a precious gift,  
of hope and strength and grace,  
from someone who has made our world  
a brighter, better place.

It's filled with moments,  
sweet and sad with smiles and sometimes tears,  
with friendships formed and good times shared,  
and laughter through the years.

A life well lived is a legacy,  
of joy and pride and pleasure,  
a living, lasting memory  
our grateful heart's will treasure.
