

~The Empty Chair~

I look across the room, dear heart,
And see your empty chair.
I can't believe that you are gone,
And I'll never see you there.
Each day the house is empty,
My heart and all my cares.
No matter where I look around,
I see your empty chair.
I hope you're in a better place,
Happy, free, and still aware.
The only thing that's left for me,
Is your empty chair.
So, save a place for me up there,
When once again we'll share.
All our love and companionship,
Without the empty chair.
And we will be together in
in our chairs.
All my Love, I Love You
